

read_fock_n

```
graph LR; A[read_fock_n] --> B[m_global::alloc_fock_n]
```

A diagram showing a mapping from a variable to a memory location. On the left, a gray rectangular box contains the text 'read_fock_n'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'm_global::alloc_fock_n'.

m_global::alloc_fock_n
