

read_hopping_n

```
graph LR; A[read_hopping_n] --> B[m_global::alloc_hopping_n]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'read_hopping_n'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'm_global::alloc_hopping_n'.

m_global::alloc_hopping_n
