

read_coulomb_i

```
graph LR; A[read_coulomb_i] --> B[m_global::alloc_coulomb_i]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'read_coulomb_i'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'm_global::alloc_coulomb_i'. Both boxes have a thin black border.

m_global::alloc_coulomb_i
